

Dear Member,

As a courtesy and in an effort to save on your prescription medication costs, your provider has provided a prescription discount card for your use. The prescription savings card may be used at over 60,000 participating pharmacies and provides savings of up to 60% on generic medications with an overall average savings of 40% across brand and generic medications combined!

- ✓ The card is available for immediate use
- ✓ May be used for both brand and generic medications
- ✓ There is no membership fee or enrollment fee to use the card
- ✓ There is no limit on usage of the card.

The prescription savings card may be used any time your prescription is not covered by insurance.

For additional information on drug pricing or pharmacy locations, go to www.emsmed.com/PDC or call 877-684-0032.
